

**You have selected forms needed to file a:
Response in a Divorce with Children**

Forms and instructions are listed below in a “Packet List”. Each document will open a pop-up window and you will be asked to select one of the following options:

Open: Selecting this option allows you to view the form and print a copy without saving the form on your computer.

Save: Selecting this option allows you to save a copy of the form on your computer for later use.

Cancel: Selecting this option will close the form without saving it to your computer and allow you to proceed to the next form in the packet.

When you determine the forms you need, it is recommended that you print a copy of this Packet List and either “Print” or “Save” a copy of each needed form.

If there are forms you do not need, select “Cancel” for those forms.

Note: Please read all instructions included in the packet very carefully before completing the forms. Instructions are not available for every set of forms. If the packet does not include instructions, you may want to contact the Court Assistance Office at your local county courthouse to see if additional assistance is available.
